Company Profile

Sajid Textile Industries is a major textile manufacturing and export company, offering a broad portfolio of products in home and institutional textiles. Over the past four decades, Sajid Textile Industries have built strong global relationships and have earned a reputation for the best quality products available in the market. Putting clients first and providing maximum customer satisfaction, the company creates client value by integrating cutting-edge competence in three crucial areas; service, excellence in manufacturing, finishing, and punctuality.

Sajid Textile Industries maintains their philosophy of continuous improvement by implementing the latest technologies and techniques to all utilized resources. All compliances in manufacturing, packing, safety, social and environmental aspects are continuously being upgraded. The backbone of Sajid Textile Industries is the human resource, which continuously benefits from team building exercises, extensive training programs, group discussions, and meetings. Part of this backbone

are teams of highly skilled marketing and service professionals led by the young directors of Sajid Textile Industries, who have ensured highest quality, utmost reliability and an absolute commitment to providing the best service.

Sajid Textile Industries has recognized the fundamentals needed to maintain the highest levels of efficiency

and productivity. This has enhanced the organization's flexibility, enabling us to fulfill any type of demand created by customers and achieve production, community, and sustainability goals.

Our Mission & Vision

Our stringent commitment to Global standards of Quality has enabled us to grow phenomenally over the last decade and to create a niche of our own in the highly competitive world markets. Sajid Textile is the name of one of the most innovative and leading textile producers. Our state-of-the-art technology, quality standards and innovation make us standout. Sajid Textile has become one of the leading symbols of quality products in the textile industry.

Behind all this success is the efforts of our directors and team who have a complete vision in their minds to make the organization one of the top ranked textile companies.

"To attain market leadership through unmatched quality, a diverse and unique product mix, empowered employees, world-class systems, and the highest ethical and professional standards."

"Sajid Textile is devoted to achieving consistent improvement in the system of providing products & services to the customers through On-Time Delivery & Enhancing Customers Satisfaction by means of Quality and Value."

State-of-the-Art Technology

Women Empowerment & Equal Employment Opportunity

Across all departments, we focus on enriched culture that offers equal growth and employment opportunity on the basis of performance with zero tolerance for discrimination. We also invest in programs for women empowerment and offer our female employees the platform for career growth.

Education & Community Development

At Sajid Textile we strive for the growth and development of our employees within personal and professional spaces. We run an extensive Primary, Secondary and Higher Education Programs for all employees that enable them to benefit from, free of cost, to educate themselves and their children.

Healthcare & Community Welfare Program

We offer our employees top-of-the-line medical insurance and healthcare facilities for their families and their own well-being. We run many community and employee welfare programs across the year including daily meals and other community building initiatives.

Sustainable Manufacturing Practices & Social Responsibility

At Sajid Textile, we are very mindful of our impact on the environment and that's why we invest in staying updated on sustainable manufacturing practices. Our employee and community contributions are majorly focused on achieving the highest level of efficiency and effectiveness of resource utilization. Our approach towards sustainability is directed towards doing more with less.

COVID SOPs & Safety Measures

At Sajid Textile, we take safety, security, and well-being of our employees very seriously. We have concentrated all resources to ensure COVID SOPs are strictly being followed at all times to ensure the well-being of everyone on the premises. We also practice regular safety training for all employees specifically working in production plants and ensure compliance with all international manufacturing standards.
