## EQUIPE RICCIO

Equipe Riccio Srl was set up in 2000, by the will of the dear lawyer Vincenzo Riccio. Together with his associates and thanks to the experience that for over 100 years has been handed down over generations in the production and distribution of household linen, fabrics for curtains and interior decorations, he decided to establish a new business by strengthening the distribution of fabrics and curtains, and investing in new facilities and qualified personnel, developing its own “Abaca” and “Mon Amour” brands and presenting increasingly innovative samples and labels. The efforts made all these years have always been aiming at searching the best quality fabrics and curtains, while always focusing on the customer.

## MANIFATTURA FODERAMI CIMMINO

“As a leading company in the distribution of first-quality fabrics and materials for over two centuries, Manifattura Foderami Cimmino offers a consistent combination of tradition and quality throughout its whole collection.

Our history dates back to 1750 in Naples and over the decades it has gained new experience in the textile field by a careful choice of raw materials and rigorous manufacturing processes.

The core values of our company have been handed down through generations with a constant growth in several expertise areas, in order to embrace all textile categories and always give our customers the best solutions: so Cimmino has stood the test of time, keeping on being nowadays a reference point in the world of fabrics. Being able to look at the future without forgetting the past, rather preserving our important roots: this is our everyday challenge, while constantly enriching our catalogs with style ideas and solid tips to let you best express your uniqueness, passion and personality.”

## MILK AND HONEY DI GALTEX

The Milk and Honey brand is the result of the creative talent and the entrepreneurial spirit of the Gallone family that has always been a leader in the Italian market for household linens and sleepwear. The company is constantly in search of innovative products to keep up with the trends and satisfy a constantly evolving market. In 2010, Milk and Honey included in its collections a new area, totally dedicated to women: beachwear and fashion accessories. These additions gave a great boost to sales and further strength to the brand, consolidating its position in the Italian and foreign market. In fact, it has been few years that Milk and Honey has been opening its doors to international markets such as France, Greece, Mexico and Russia.

## O.P.C. TEXTILES

O.P.C. Textiles S.r.l. was founded thanks to the entrepreneurial experience of Luigi Caldarelli and his son Pasquale Omar, who have been in the home linen industry for over ten years and that today produces the home textile brands My House and Lara Justin.

“We have been involved in the commercialization of home linens for years, from bed sets to bath towels, and thanks to the experience gained in the industry, in 2016 we decided to open our first retail store under the name My House. In 2018, we created a second brand called Lara Justin, dedicated to a luxury collection, featuring products mainly including sleepwear and bed linens.”

Today, My House has around 16 retail stores nationwide.
