Cottage • Page 16

Mediterranean • Page 26

Enjoying authentic living is what Creative Collection is all about;  
embracing life, all aspects of it, and living it every day.

Driven by a love for authentic living we share a new collection of  
characteristic design. The collection is presented through three inspiring  
and strong themes: **Botanist**, **Cottage** & **Mediterranean**. Each defined by  
their own distinctive expression.

Enjoy the new collection and embrace authentic living.

# Botanist

Invite greens indoor in plants and interior

The Botanist theme is defined by the beauty and details of nature. The elements cultivate an authentic atmosphere of serene elegance that reflects the essence of botanically inspired living.

# The story of creative collection

Creative Collection dares enjoying authentic living – without worries and full of life and experience. It is something to enjoy and feel welcome in. Authentic living is the essence of Creative Collection.

## Enjoying

Enjoying is a positive word making everyone warm inside. Enjoy includes all and is full of life and happy days. It's nice and uncomplicated.

## Authentic

Creative Collection is a unique brand with charm, character and personality and the right amount of authenticity to make it stand out.

## Living

Living is a beautiful word as it embraces all kinds of individual feelings and represent much more than just design – living is home, design and interior all in one.
