

BLACK MAGIC

COLLECTION

DELABIE

“design, architecture & functionality”

DELABIE is weaving, in modern spaces like museums, restaurants, company headquarters, airports, an essential link between design, architecture and functionality.

A renewed experience combining performance and elegance.

BINOPTIC

100% black chrome design

providing optimal resistance to intensive use,
90% water and energy savings, and complete hygiene:
no manual contact, automatic anti-bacterial duty flush, smooth spout interior.

BLACK BINOPTIC

At **DELABIE**, the move to more up-market public spaces goes hand-in-hand with the development of the **BLACK MAGIC COLLECTION**.

Anti-bacterial proliferation
duty flush

Maintenance
facilitated by LEDs

Smooth spout interior
and low water volume

30-year warranty

Operates without
manual contact

3 lpm flow rate

Matte black chrome finish

The BINOPTIC range makes its entrance into modern spaces in matte black.

378035 / 388035 / 398035
BINOPTIC electronic tap/mixer

IT COULDN'T BE CLEARER

BINOPTIC represents a stylish and functional range specifically designed for public and commercial places.

Total hygiene:
operates without manual contact, anti-bacterial proliferation duty flush, smooth interior and low water volume spout

Proven water savings:
flow rate of 3 lpm

Easy to maintain:
maintenance facilitated by LEDs

DELABIE'S BINOPTIC
electronic soap dispenser and taps
are a perfect match thanks to their common design.

TWO'S COMPANY

The aim of the game is to create a binary system in which utility and aesthetics work in tandem, creating relationships which are complementary rather than adversarial. Design defined by this equation brings objects to life and makes them vibrant.

Total hygiene:
no manual contact, hands are detected by infrared sensor

Multifunction:
compatible with liquid soap, foam or hydroalcoholic gel

Easy to fill:
ingenious tank with clip-on system to make it intuitive for maintenance staff

Nothing is missing from this blend of technologies. Beauty and utility have never been so good together.

4-function mirror cabinet

MIRROR CABINET BEAUTY IN EFFICIENCY

DELABIE's products are designed to combine utility with the style aesthetic of public spaces, aiming to bring a touch of beauty into people's daily lives. The mirror cabinets are designed to suit any environment, and especially yours!

4 functions:
mirror, soap dispenser, tap and hand dryer

Total hygiene:
no manual contact

Vandal-resistant:
lock and standard DELABIE key

Quick and easy to install:
one single electrical supply for all elements

UNITO countertop washbasin

THE ELEGANCE OF BLACK

This trend is now spreading to commercial washrooms. A truly decorative element, the minimalist and timeless design of DELABIE's UNITO washbasin is ideal for public and commercial places such as offices and hotels.

Design:

black is forever in fashion and a sure bet that is timeless

Easy to clean:

Teflon® or PTFE is a non-stick material

Resistant to intensive use:

made from 304 stainless steel (unbreakable), matte black Teflon® or PTFE finish

121180BK
MINI BAILA wall-mounted washbasin

ROUNDING OFF THE ANGLES

The washbasins are supplied without a waste, allowing specifiers to choose their decorative style: adding a black waste for a totally black ensemble, or a chrome-plated waste for a black/chrome mix-and-match look to match chrome-plated taps.

Design:
black is forever in fashion and a sure bet that is timeless

Easy to clean:
Teflon® or PTFE is a non-stick material

Resistant to intensive use:
made from 304 stainless steel (unbreakable), matte black Teflon® or PTFE finish

430036
Control plate for TEMPOMATIC 4

GREEN GREEN GLASS

The devil is indeed in the detail.
Low-key, discreet, recessed and innovative: urinal valves can be elegant too!

Hygiene:
no manual contact
hygienic duty flush

Proven water savings:
3 rinsing programmes and high-frequency mode

Easy to maintain:
maintenance from the front

100620BK
AZA divider

135710BK
FINO rimless urinal

PAINT IT BLACK!

Teflon® is a non-stick surface. Scale, the main challenge to black finishes, will struggle to find purchase on the surface. Washroom cleaning and servicing is therefore simplified.

Design:
black is forever in fashion and a sure bet that is timeless

Quick and easy to install:
mounting from the front thanks to a stainless steel mounting frame

Easy to clean:
Teflon® or PTFE is a non-stick material

Resistant to intensive use:
made from 304 stainless steel (unbreakable), matte black Teflon® or PTFE finish

WCs with cisterns are outdated!
Combining hygiene, water saving and ecology,
the shortcut to the short flush is indispensable,
and is revolutionising the loo.

763030
TEMPOFLUX 3 control plate for WCs

LEAKS, LET'S PULL THE PLUG!

Welcome to the era of cistern-less direct flush. The what?
At last, a leak-free flush that doesn't waste drinking water.
Also, there's no need to wait for the cistern to fill up and you save space: ideal for all public toilets.

Design:
black glass and premium chrome frame

Leak-free flush:
cistern-less, no leaks, 90% water savings

Resistance to intensive use:
designed to withstand intensive use in public places

Wall-hung S21 S WC

GAME OF THRONES

Design goes over to the Dark Side of the Force!
Like a nod to the painter Soulages, the world of art and decoration also goes back to black.
Instead of fading into the background, black takes centre stage. And light subtly brings out its depths and contrasts, both powerful and elegant.

Design:
black is forever in fashion and a sure bet that is timeless

Easy to clean:
Teflon® or PTFE is a non-stick material

Resistant to intensive use:
made from 304 stainless steel (unbreakable), matte black Teflon® or PTFE finish

These matte black accessories, with their modern and elegant design, will suit any living space and adapt to any interior decorative style.

BLACK IS BACK

This range of black accessories, has a modern and universal appeal, contributing to the move to more up-market washroom facilities. These latter are now considered as representative of the image of the whole building.

Robust design and appropriate for intensive use

Easy to clean:
one-piece cover, smooth surface

Vandal-resistant:
concealed fixings, lock and standard DELABIE key

Design:
accessories with a sleek, modern design to match any interior decor

LIFE IS SWEET TAKE A BE-LINE® SEAT

The Be-Line® seat subscribes to the school of design for all. When lowered, its generous width and depth make it a valuable aid for seniors and individuals with reduced mobility, or simply an added comfort for the user. When lift-up, its compact size makes it perfect for shared use of the shower.

Design for all:

combining aesthetics and well-being, sleek design, lift-up to save space

Comfort:

large model and non-slip surface

Removable and interchangeable:

easy to unclip, can be temporarily replaced by a wall-mounted shower shelf

Safety pack:

CE marked, maximum recommended user weight: 135kg, 30-year warranty

MAKE YOUR BE-LINE®

What if "design" was available to everyone? Really for everyone.
Starting with those people with reduced mobility that require additional support.
The Be-Line® range is a perfect example.
Accessibility and comfort go hand-in-hand: an innate sense of aesthetics with safety a priority.

Design for all:
combination of aesthetics, well-being and comfort

Comfort:
withstands scratches and chemical products

Safety pack:
CE marked, maximum recommended user weight: 135kg, 30-year warranty
