# Better than the zest.

Meet **Ozest**. A concave speed zester that instantly cleans itself with the push of a button.

#### A clean slate.

Instantly cleans and clears itself of any clinging zest with the push of a button.

#### Close contact.

Concave grater plate increases contact area for faster zesting, and guides your food down its centre for safer, more efficient strokes.

#### 441 good reasons.

441 super fine blades are photo-etched and perfectly angled to create fluffier and more aromatic zest without the bitter pith.

#### Measuring. Covered.

Protective blade cover snaps or slides on for worry-free storage, and doubles as a zest catcher, measuring up to 2 tbsp.
