Peels like a million bucks.

Introducing **Sharple**. A swivel peeler that automatically sharpens itself every time its safety cover is opened or closed.

Never a dull moment.

Unique safety cover has a built-in ceramic ball sharpener that automatically sharpens and hones the blade every time the protective case is opened or closed.

The sharpest tool in the shed.

Razor-sharp Japanese stainless steel blade is designed to last a lifetime, swivels to minimize waste, and will never rust in the dishwasher.

All drain, no pain.

Clever handle profile provides maximum control for both left and right-handed users, and features generous drainage channels to ensure ease of cleaning and drying.

For prying eyes.

Handle tip includes a convenient and highly effective potato eye and blemish remover.
