SAVOIE FRANCE

**BarbecueSet**

made in France

## Barbecue Set

Smart, efficient and sustainable, our Barbecue Set is made in France.

Inspired by our mountains, for their demand for robustness and simplicity, our Barbecue Set is unique. Smart, efficient and sustainable, it is made up of **3 utensils made in France**, with virtuous local materials. It will be the timeless companion to enjoy gourmet moments with friends and family.

### N°12 B

Never seen since 1897... a new knife size !

The precise and efficient long blade folds into the handle for **easy and secure storage**.

**16 cm (6.3 in.)** long stainless steel blade for cutting and slicing, meat, fish, large fruits and vegetables.

Beech from French forests

**Bottle opener**  
or for hanging

## Spatula +

Sturdy and smart, the spatula fits into the handle of the knife, for easy **cleaning and storage**.

- Stainless steel, stonewashed finish
- **Large size** for quick collection
- Narrow angle for more precision, with bevel on two sides to separate, scrape...

## XL Tongs

- Stainless steel, stonewashed finish
- **40 cm (15.7 in.)** long for safe and convenient cooking over a grill
- Notched jaws can handle easily larger pieces, the other narrow side is for greater precision.
- A handy **grill lifter** is built into the hinge.

Sustainable, plastic-free packaging.  
Two versions of cardboard box are available:  
Gift box / Hanging Box with window.

Availability date : February 2024

Since 1890 Opinel has been manufacturing quality knives and tools in Savoie.

The Opinel pocket knife, simple, smart, durable, has become over time a world-famous design icon.

Today, thanks to its ancestral know-how and numerous innovations, the brand has developed its collections, from the garden to the table. The family-owned company is located in the heart of the Alps, in Chambéry, and employs more than 150 people.
