

Hoptimist[®]

SINCE 1968

SALES CATALOGUE SS23

Make every day a little more joyful

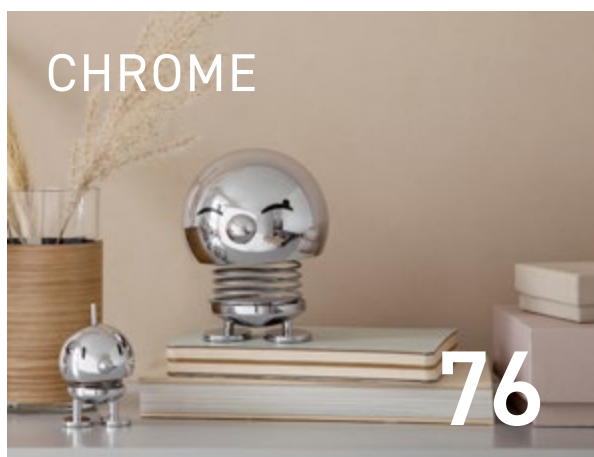

A HOPTIMIST IS ALL ABOUT SMILES, OPTIMISM AND HIGH SPIRITS

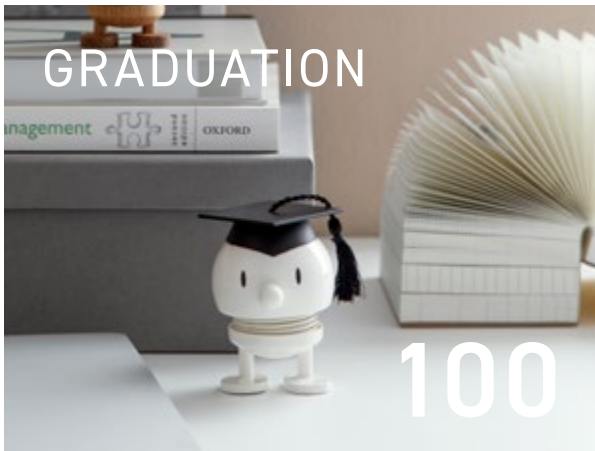

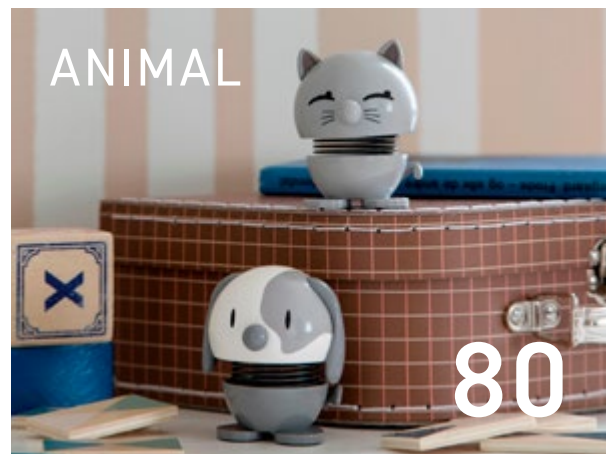

Giv en Hoptimist og mærk selv glæden ved at give. Gustav Ehrenreich skabte i slutningen af 1960'erne den glade bevægelse, der siden har fået plads i dansk designhistorie. I dag er der en glad Hoptimist til enhver lejlighed.

Give a Hoptimist and experience the joy of giving. Gustav Ehrenreich created the first figures in the late 1960s, which have gone on to earn themselves a place in Danish design history. Today, the happy movement consists of a wealth of happy, brightly coloured Hoptimists for every occasion.

Danish Design

Hans Gustav Ehrenreich

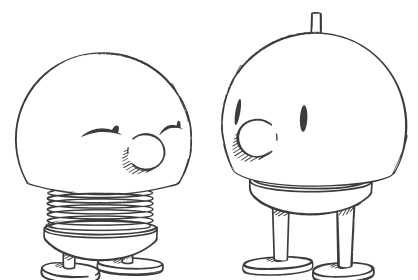

Før Hoptimisterne så dagens lys, gik den danske trædrejer Hans Gustav Ehrenreich og puslede i sit værksted i huset på Århusvej i Stilling. Det var i slutningen af 1950'erne, og i det lille værksted "Ehrenreichs Trækunst" var fantasien stor. To ting var aldrig ens. Små sølvfisk blev intarsia-indlagt i hånddrejede skåle og fade, og unikabrugskunst i træsorter fra hele verden blev solgt fra værkstedet.

Before the Hoptimists saw the light of day, Danish cabinetmaker Hans Gustav Ehrenreich would tinker in his workshop in the house on Aarhusvej in Stilling, Denmark. It was the late 1950s, and in the small "Ehrenreichs Trækunst" workshop, imagination ran high. No two things were ever the same. Small silverfish were transformed into inlays in hand-turned bowls and plates, and unique wooden art items from all over the world were sold from the workshop.

I slutningen af 1960'erne skabte Ehrenreich de første prototyper til Birdie, Bimble og Bumble. Helt i tidens ånd var det stærke farver og harmoniske, runde former, der kendetegnede de første fjederhoppende venner. Bimble er den kjoleklædte pige med de smilende øjne, og Bumble er den opmærksomme dreng med åbne øjne og en lille tophuepind øverst på hovedet.

Ehrenreich created the first prototypes for Birdie, Bimble and Bumble in the late 1960s. In the spirit of that time, it was bright colours and harmonious, round shapes that characterised the first bouncy friends. Bimble is the dress-clad girl with the smiling eyes, and Bumble is the ever-alert boy with wide-open eyes and a small stick-hat atop his head.

Forest Stewardship Council® (FSC®) er en global nonprofitorganisation, som arbejder for at udbrede ansvarligt skovbrug verden over. FSC udvikler standarder baseret på anerkendte principper for ansvarligt skovbrug, der støttes af miljømæssige, sociale og økonomiske interessenter. Vil du vide mere, så besøg www.fsc.dk. Ved at vælge et FSC-certificeret produkt, støtter du ansvarlig brug af verdens skove.

Mange af Hoptimists produkter i dette katalog er fremstillet af FSC-certificeret træ. Du kan nemt finde dem ved at kigge efter det lille FSC-mærke ved produktet.

The Forest Stewardship Council™ (FSC™) is a global, not-for-profit organization dedicated to the promotion of responsible forest management worldwide. FSC defines standards based on agreed principles for responsible forest stewardship that are supported by environmental, social, and economic stakeholders. To learn more, visit www.fsc.org. By choosing a FSC-certified product, you are supporting responsible management of the world's forests.

Many of Hoptimist's products in this catalogue are made from FSC-certified wood. You can easily find them by looking for the small FSC-label by the product.

NEW

Smiley

Den oprindelige Smiley er den mest brugte emoji. Med sit dejlige, store smil spreder den glæde og optimisme, og man kan ikke undgå at blive glad, når man ser på denne smilende Hoptimist – som nu også fås i ubehandlet egetræ.

The original Smiley is the most commonly used emoji. Its delightful beaming smile spreads joy and optimism, and you can't help but feel happy when you look at this smiling Hoptimist. And now it also comes in an untreated oak version.

NEW

Smiley Love

Åh, forelskelse og sommerfugle i maven. Det er næsten ikke til at være
i sin egen krop af bare glæde, længsel og spændte forventninger.
Man må bare hoppe af glæde, og denne Love-Hoptimist hopper begejstret med.

*Ah, love. That feeling of butterflies in your stomach. Bliss, longing and excitement
make you feel like you're walking on air. You simply want to jump for joy,
and this Love Hoptimist is happy to accompany you.*

NEW

Bunny

Vaks, vågen og klar til at hoppe omkring. Bunny-Hoptimisten er ikke til at stå for – den er på én gang sød, fræk og helt uskyldig. De nye Bunny-Hoptimister med mat overflade i farverne Olive og Mimosa hjælper påskestemningen på vej med glæde og frisk forårsoptimisme.

Bouncy, wide awake and all set to hop about. The Bunny Hoptimist is irresistible – it's cute, cheeky and completely innocent. The new Bunny-Hoptimists with a matte surface in Olive or Mimosa spark the spirit of Easter with their joy and fresh spring optimism.

NEW

Lambert

Påsken er tiden, hvor naturen viser sig fra sin mest nuttede side.
Se bare påskelammen! De små uldtotter kommer forsigtigt på
benene og hopper hurtigt lystigt omkring. Opdater din påskepynt
med de nye, søde Lambert-Hoptimister med mat
overflade i farverne Olive og Mimosa.

*Easter is the time where Nature is at her most adorable.
Just look at the Easter lambs! These little tufts of wool wobble
cautiously to their feet, and soon they're leaping about with joy. Up-
date your Easter decorations with the adorable new
Lambert-Hoptimists with a matte surface in Olive or Mimosa.*

NEW

Cat

Normalt går katte sine egne veje, men vores Hoptimist-kat ved du, hvor du har.

Den hopper kun lidt på stedet, hvis du klapper den på hovedet.

En herlig gaveidé til alle, der elsker katte. Ja, selv husets rigtige kat vil sikkert ikke kunne dy sig for at puffe til den nye legekammerat.

Usually cats do just as they please, but you'll always know where to find our Hoptimist cat. It simply hops on the spot if you pat it gently on the head.

An amazing gift idea for every cat lover. Even the real cat of the house will probably not be able to resist nudging the new playmate.

NEW

Birdie

Birdie er tilbage.

Den fine fugl var den allerførste figur i den store Hoptimist-familie. Nu er Birdie fløjet ind igen og spreder optimisme og godt humør, når du hænger den op, og fjederen sættes i bevægelse. Lad Birdie svæve over dit hoved, i vinduet, over sofaen eller i hvilket som helst hjørne, hvor den kan minde dig om at være glad og se det hele lidt fra oven.

Birdie is back.

The fine bird was the very first member of the large Hoptimist family. Now Birdie has flown in again, spreading optimism and good cheer when you hang it up and the spring is set in motion. Let Birdie float above your head, in the window, over the sofa or in any corner where it can remind you to be happy and enjoy a bird's eye view.

Wood Collection

Gustav Ehrenreich ønskede oprindeligt at lave sine Hoptimister i træ.
Vi har realiseret hans drøm og laver i dag Hoptimister i olieret eg,
røget eg, ubehandlet eg og sortbejdet eg.

*Gustav Ehrenreich originally wanted to make his Hoptimists out of wood.
We have realised his dream, and today we make our Hoptimists from oiled oak,
smoked oak, untreated oak, and black stained oak.*

Christmas Collection

Nissehuer, julemandsskæg, rensdyr og snemænd. Glæde, varme og forventning. Julen er smilenes fest, og vores julehoptimister skal nok få smilene til at brede sig i den glade højtid. De er oplagte som humoristisk julepynt, men egner sig også fortrinligt som værtindegave, adventsgave og mandelgave. For glæde er jo en gave!

Santa hats, Santa beards, reindeers, and snowmen. Joy, warmth, and anticipation. Christmas is the festive feast of smiles, and our Christmas Hoptimists are sure to spread smiles during this joyous holiday time. Because joy itself is a gift!

Animal Collection

Dyr vækker noget i os alle. En glæde, som vi deler med hinanden.
Derfor er der selvfølgelig også de sødeste dyr blandt den store familie
af glade Hoptimister.

*Animals awaken a response in all of us. A delight that we share
with one another. Which is why the big family of happy Hoptimists
includes the cutest of animals.*

Wedding Collection

Kærlighed gør glad, og når vi gifter os, siger vi ja til at dele glæden.
Og hvorfor ikke dele et af livets største og gladeste øjeblikke
med vores søde Hoptimist-Brud og Hoptimist-Brudgom.

*Love brings happiness, and when we get married, we say "I do" to sharing
our happiness. And why not share one of life's greatest and happiest moments
with our adorable Hoptimist Bride and Hoptimist Groom?*

Lamp Collection

Lad Hoptimist-lampen fylde rummet med lys, farver og hygge, hvor end du placerer den. The Bumble Lamp skaber glæde i hjemmet, uanset om du lader den flytte ind på skrivebordet, i dit favorithjørne, på natbordet eller i børneværelset.

Hoptimisten så første gang dagens lys i slutningen af 1960'erne, og Hoptimist-lampen er siden blevet en del af den glade historie.

Let the Hoptimist lamp fill the room with light, vibrant colour and cosiness wherever you place it. The Bumble Lamp creates joy anywhere in the home, whether you invite it onto your desk, reading nook, bedside table or the children's room.

The Hoptimist first saw the light of day in the late 1960s, and the Hoptimist lamp has since become part of the joyful story.

MAKE EVERY DAY A LITTLE MORE JOYFUL

Ikke to Hoptimister er helt ens. Hoptimisterne samles i hånden, og derfor er hver Hoptimist unik.

Du kan være helt sikker på, at alle Hoptimister er lige glade, men de kan have små variationer i højde, justering osv. Dette skyldes fjedervariationer og den individuelle montering.

Hvis du er uheldig at modtage en Hoptimist, der ikke lever op til forventningerne eller har lidt skade under transporten, ombytter eller krediterer vi produktet.

Send os venligst en kort e-mail på info@fh-as.dk.

Det vil være en stor hjælp, hvis du vedhæfter billeder. Vi vil gerne lære af vores fejl, og billeder hjælper os bedre med at forstå det aktuelle problem.

No two Hoptimists are exactly the same. Each and every Hoptimist is hand assembled and therefore they each have some degree of uniqueness.

You can be absolutely certain, that all Hoptimists are equally Joyful, however they may have smaller variance in height, direction etc. This is due to spring variations and the individual assembly.

If you are unlucky to receive a Hoptimist, that is not up to standard, or have suffered damage during transport, we are here to help you, by replacing or crediting the product.

Please send us a short email on info@fh-as.dk. If you are able to attach pictures, we do appreciate it greatly. We are keen to learn from our mistakes and pictures help us to fully understand the issue at hand.
