## Carter Carry Tumbler

The maxi-mug for the minimalist.

Take 20 oz of your favorite hot or cold drinks to-go in style. This elegant insulated tumbler has a premium metal handle that's both easy to carry and easy on the eyes. Enjoy the same award-winning features as our Carter Move Mug—True Taste ceramic coating, snap-in splash guard, and a thin, drinkable lip—for an uncompromised sipping experience, in an uncompromising size.

Launching in  
November 2023

### Carry With Confidence

The premium stainless steel handle is built for durability and comfortable to hold.

### True Taste Ceramic Coating

The ceramic interior keeps your beverage free of odors, oils, and "old penny" tasting notes.

### Stays Hot, Stays Cold

304 18/8 insulated stainless steel retains heat for 12 hours and stays cold for 24 hours.

### Adventure Compatible

Leak-proof and cup holder compatible, Carter Carry is ready for the road.

### Swap The Top

Compatible with our existing Carter Move Mug lids so you can effortlessly transform it with a Move Lid, Slide Lid, or Cold Lid + Straw.
