

# ORBIT OPE

## **Instalación**

Superficie o enrasado en falso techo (accesorios incluidos).

## **Diseño**

Elegante diseño fabricado en policarbonato. Luminaria autónoma. No permanente. LED bicolor de señalización. AUTOTEST.

## **Parte óptica**

LED SMD de alta luminosidad. Dispone de dos lentes intercambiables (incluidas en el embalaje), lente abierta y lente de pasillo, ésta última proporciona una distribución de la luz con un gran ángulo de apertura, ideal para pasillos y rutas de evacuación.

## **Installation**

Ceiling surface or recessed mounting (accessories included).

## **Design**

Elegant design made of polycarbonate. Self contained. Non maintained. Two coloured LED signaling. SELF-TEST.

## **Optical part**

White SMD LED with high brightness. It has two interchangeable lenses (included in the packaging), open lens and corridor lens. The second one, provides a distribution of light with a wide opening angle, ideal for corridors and evacuation routes.

Iluminación de emergencia  
Emergency lighting
